

Lorelei

Scorpions

There was a time when we sailed on together
Once had a dream that we shared on the way
There was a place where we used to seek shelter
I never knew the pain of the price I would pay

Lorelei my ship has
passed you by and though you
promised me to show the way
You led me astray
You were my lorelei....

Lorelei my ship has
passed you by and though you
promised me to show the way
You led me astray
You were my lorelei what kind of fool....
