

## Lorelei

Scorpions

There was a time when we sailed on together  
Once had a dream that we shared on the way  
There was a place where we used to seek shelter  
I never knew the pain of the price I would pay

Lorelei my ship has  
passed you by and though you  
promised me to show the way  
You led me astray  
You were my lorelei....

Lorelei my ship has  
passed you by and though you  
promised me to show the way  
You led me astray  
You were my lorelei what kind of fool....
