Lorelei

Scorpions

There was a time when we sailed on together Once had a dream that we shared on the way There was a place where we used to seek shelter I never knew the pain of the price I would pay

Lorelei my ship has passed you by and though you promised me to show the way You led me astray
You were my lorelei....

Lorelei my ship has passed you by and though you promised me to show the way You led me astray
You were my lorelei what kind of fool....
