## **Scorpions**

Maybe I, maybe you
 Can make a change to the world
 We're reaching out for a soul
 That's kind of lost in the dark

Maybe I, maybe you Can find the key to the stars To catch the spirit of hope To save one hopeless heart

- R: You look up to the sky
  With all those questions in mind
  All you need is to hear
  The voice of your heart
  In a world full of pain
  Someone's calling your name
  Why don't we make if true
  Maybe I, maybe you
- 2. Maybe I, maybe you
   I just dreamin' sometimes
   but the world would be cold
   without dreamers like you

Maybe I, maybe you are just soldiers of love born to cary the flame bringing light to the dark

R: You look up to the sky
With all those questions in mind
All you need is to hear
The voice of your heart
In a world full of pain
Someone's calling your name
Why don't we make if true
Maybe I, maybe you
