

# Money And Fame

Scorpions

You know nothing about loving  
You lost somewhere down the line  
You know nothing about giving  
You should draw the line  
You keep looking out for something  
Something you're never gonna find  
When will, will you show your feelings  
You will lose your mind  
Who's to blame my love  
You play a dangerous game  
Who's to blame my love  
All you want is money and fame  
You play, play with emotions  
You need, need a stepping stone  
You're out, out for sensations  
Don't you, don't you feel alone  
Who's to blame my love  
You play a dangerous game  
Who's to blame my love  
All you want is money and fame  
Who's to blame my love  
You play a dangerous game  
Who's to blame my love  
All you want is money and fame  
Money and fame  
Money and fame  
Money and fame  
Money and fame  
Money and fame  
Money and fame  
Money and fame
