- 1. Let's spend the night together I know you want it too The Magic of the moment Is what I've got for you The heartbeat of this night Is made to loose control And there is something in your eyes That's longing for some more Let us find together The beat we're looking for
- R: The rhythm of love
  Keeps me dancing on the road
  The rhythm of love
  Got the groove that hits the bone
  The rhythm of love
  Is the game I'm looking for
  The rhythm of love
  Is the heartbeat of my soul.
- 2. Let's reach the top together One night will never do An exploding shot of pleasure Is what I've got for you Why don't you close your eyes Let your feelings grow I make you feel the taste of life Until your love will flow Let us find together The beat we're looking for
- R: The rhythm...
- R: The rhythm...
- R: The rhythm...
  - Let us fing together
    The beat we're looking for.
