Scorpions

Crave communication  
See me this is my life in the crazy robot man reservation  
Do you feel him, the cold vibration  
Comes from everywhere, produce a crazy science fiction creation

And I say oooh, oooh  
I'm a robot man  
And I say oooh, oooh  
I'm a loser  
I say oooh, oooh  
I'm a robot man  
Well, that's my mind  
That's my life  
That's my soul

Babe, it's a magic station  
Where we live what we do with our magic from my generation  
I say babe, it's not a vision  
It's reality, this is a robot scene what we live in.

And I say oooh, oooh  
I'm a robot man  
And I say oooh, oooh  
I'm a loser  
I say oooh, oooh  
I'm a robot man  
That's my mind  
That's my life  
That's my soul

And I say oooh, oooh  
I'm a robot man  
And I say oooh, oooh  
I'm a loser

I say oooh, oooh  
I'm a robot man  
And I say oooh, oooh  
I'm a loser
