- 1. Across the desert plains
 Where nothing dares to grow
 I taught you how to sing
 You taught me everything I know
 And thought the night is young
 And we don't know if we'll live to see the sun
- R1: The best is yet to come
 I know, you know
 That we've only just begun
 Through the highs and lows
 And how can I live without you
 You're such a part of me
 And you've always been the one
 Keeping me forever young
 And the best is yet to come
- R2: Hey-ah hey-oh
 Don't look now, the best is yet to come
 Hey-ah hey-oh
 Take my hand, the best is yet to come
- 2. Thinking of the times
 How we laughed and cried
 I wouldn't change a thing
 I couldn't even if I tried
 Through the wind and rain
 The spirit of our song remains the same
- R1: And the best is yet to come...
- R2: Hey-ah hey-oh
 Don't look now, the best is yet to come
 Hey-ah hey-oh
 Take my hand, the best is yet to come
- *: Oh can you feel it in the air
 It's in your heart and everywhere
 We got to keep that dream alive
- 3. We cross another road And face another day Soldiers never die They only fade away How can we grow old When the soundtrack of our lives is rock and roll
- R1: And the best is yet to come...
- R2: Hey-ah hey-oh... (2x)
