

Walking On The Edge

Scorpions

1. Welcome to a trip
Into my hurt feelings
To the center of my soul
You better bring a light
To find the house of meanings
The labyrinth of yes or no
For you life is just like chess
If you don't make the move
You'll lose the game like this.

R: Cause you, you're walking on the edge
You, you choose the way of love and pain
You, don't you see the bridge
I've built for you, it's just one step to start again

2. Welcome to a trip
Into my emotions
To the language of my heart
You're sailing on a river
That becomes an ocean
Wich you can only cross with love
For you, life is just like chess
If you don't make the move
You'll lose the game like this.

R: Cause you, you're walking...

*: For you, life is just like chess
If you don't make the move
You'll lose the game like this.

R: Cause you, you're walking...
