

# When You Came Into My Life

Scorpions

You give me your smile  
A piece of your heart  
You give me the feel I've been looking for  
You give me your soul  
Your innocent love  
You are the one I've been waiting for  
I've been waiting for

We're lost in a kiss  
A moment in time  
Forever young  
Just forever, just forever in love

When you came into my life  
It took my breath away  
Cause your love has found it's way  
To my heart

Ooh, ahh  
Ooh, ahh

You make me dream  
By the look in your eyes  
You give me the feel, I've been longing for  
I wanna give you my soul  
All my life  
Cause you are the one I've been waiting for  
I've been waiting for so long

When you came into my life  
It took my breath away  
And the world stopped turnin' round  
For your love  
When you came into my life  
It took my breath away  
Cause your love has found it's way  
To my heart  
Into my heart

Just forever in love

When you came into my life  
It took my breath away  
And the world stopped turnin' round  
For your love  
When you came into my life  
It took my breath away  
Cause your love has found it's way  
To my heart  
When you came into my life

When you came into my life  
It took my breath away  
And the world stopped turnin' round  
For your love  
When you came into my life  
It took my breath away

Cause your love has found it's way  
To my heart
