

White Dove

Scorpions

1. A place without a name
Under a burning sky
there's not milk and honey here
in the land of God

Someone holds a sign, it says
we are human too
and while the sun goes down
the world goes by

R: White dove, fly with the wind
take our hope under your wings
for the world to know
that hope will not die
when the children cry

2. Waves big like a house
They're stranded on a piece of wood
to leave in all behind
to start again

But... instead of a new life
All they find is a door that it's closed
And keep looking for
A place called hope

R: White dove...

White dove...

*: Can anyone tell me why
the children of the world
have to pay the price

Solo

3. And now you're telling me
You've seen it all before
I know that's right but still
it breaks my heart

Well, the golden lamb we've sent
makes us feel better now
but you know it's just a drop
in a sea of tears

R: White dove... (2x)
