

You And I

Scorpions

1. I lose control because of you babe
I lose control when you look at me like this
there's something in your eyes that is sayin' tonight
I'm not a child anymore, life has opened the door
to a new exciting life
2. I lose control when I'm close to you babe
I lose control don't look at me like this
there's something in your eyes, is this love at first sight
like a flower that grows life just want you to know
all the secrets of life

It's all written down in your lifelines
it's written down inside your heart

R: You and I just have a dream
to find our love a place
where we can hide away
you and I were just made
to love each other now
forever and a day

3. I lose control because of you babe
I lose control when you look at me like this
there's something in your eyes that is sayin' tonight
I'm so curious for more just like never before
in my innocent life

It's all written down...

R: You and I just have a dream...

*: Time stands still
when days of innocence are falling for the night
I love you girl always will
I swear I'm there for you till the day I'll die (yeah!)

R: You and I just have a dream...

R: You and I just have a dream
to find our love a place
where we can hide away
you and I were just made
to love each other now
forever and a day
