

# Dat's Da Way It Go

Scott Henderson

Met her on a plane  
Got her stuck inside my brain  
My hand was on her thigh  
She didn't even say goodbye

Dat's Da Way It Go  
Dat's Da Way It Go  
Dat's Da Way It Go  
She did it all for show

Do you wanna see  
All the things she wrote to me  
Carolina say  
You gonna be my girl someday

Dat's Da Way It Go  
She dealt the fatal blow  
Come hear my tale of woe  
Worst groupie that I know

Like to plan ahead  
Why's she sleepin' in my bed  
How the night was long  
How could I have been so wrong

Dat's Da Way It Go  
Dat's Da Way It Go  
Dat's Da Way It Go  
She did it all for show
