

## Lola Fay

Scott Henderson

You can't do that, no  
Take a cousin to your bed  
Aunt don't like it, uncle says no  
Put a bullet in your head

City boy... country girl that ain't the way  
Gene pool damage but I don't care  
Gotta have your Lola Fay

Lola Fay  
What a lay  
Lola Fay  
In the hay

Six fingers... six toes...  
Watchin' my children grow-oh-oh  
Lola, Lola, Lola, Lola, Lola  
You shoulda told me no, no, no
