Scott Henderson

Mocha Mocha Mocha  
Why'd ya got to leave me this way  
Mocha Mocha Mocha  
Why'd ya got to leave me this way  
You livin' in the fast lane  
That's a price - a price you have to pay

You lookin' real mean  
But oh how you love to play  
You lookin' real mean  
But oh how you love to play  
But you know all dogs go to heaven  
Gonna see you again someday
