

Mocha

Scott Henderson

Mocha Mocha Mocha
Why'd ya got to leave me this way
Mocha Mocha Mocha
Why'd ya got to leave me this way
You livin' in the fast lane
That's a price - a price you have to pay

You lookin' real mean
But oh how you love to play
You lookin' real mean
But oh how you love to play
But you know all dogs go to heaven
Gonna see you again someday
