

No, No, No, No, No

Scott McKenzie

She is like the doll
she says no no no no no
and all she like the fall
she says no no no no no
She says You are just a friend to me (he he he he)
Your no more than a Friend to me (he he he he)

She is the doll
who says no no no no no
and all she tryes the fall
she says no no no no no
I know she tryes the kind for me (he he he he)
And hopes the our of see (he he he he)

Will down even hearing
she says no no no no no
without even looking
she says no no no no no
I know
I know she is a pray with me (he he he he)
a pray she might say Yes to me (he he he he)

yes she is the doll
who says no no no no no
and all she might to fall
she says no no no no no
no no no no no
no no no no no
she says no no no no no
