

I will follow you through heaven, earth and time  
Will you be there for me when I reach the end of the line  
So can you guarantee  
For all eternity  
Sublime...sublime

If we just carry on  
We will find a way  
If it's our destiny  
Can you and me just be  
Sublime!

Will you follow me a shoulder's sometimes nice  
I will be there for you when a safety net feels right  
So give your hand to me  
When you need anything  
Sublime...Sublime

If we just carry on  
We will find a way  
If it's our destiny  
Can you and me just be  
Sublime!

Hush now darling don't you cry  
Every little thing is gonna be alright  
Hush now child don't say a word  
Trying to sing a song bout heaven on earth

If we just carry on  
We will find a way  
If it's our destiny  
Can you and me just be  
Sublime!  
Be Sublime!
