

## Surround Me

Scott Stapp

They say no man's an island but I tend to disagree  
I guess they've never seen my island,  
And where it lies at sea  
I'm lost inside my memory.  
I'm still in disbelief.  
If I could paint a picture for you this is what you'd see

I'm down on my knees  
Begging you to rescue me  
Please stop me  
Don't let me run  
Surround me...Surround me...now

A wounded man sounds desperate when he's lost all his belief  
Can you look into my eyes and say you won't betray me  
Where running out of time  
How precious time can be  
I'm counting all the moments of the times you could have helped  
me

I'm down on my knees  
Begging you to rescue me  
Please stop me  
Don't let me run  
Surround me...Surround me

I'm down on my knees  
Begging you to rescue me  
Please stop me  
Don't let me run  
Surround me...Surround me
