

# You're Gonna Hear From Me

Scott Walker

Move over sun  
And give some sky  
I've got me some wings  
I'm eager to try  
I may be unknown  
But wait til I've flown

You're gonna hear from me

Make me some room  
You people up there  
On top of the world  
I'll meet you, I swear  
I'm staking my claim  
Remember my name

You're gonna hear from me

Fortune smiles  
On the road before me

I'm fortunes child  
Listen world you cant ignore me

I've got a song  
That wants to be played  
Raise up a flag  
Begin my parade  
Then watch the world over  
Start coming up clover

That how it's gonna be  
You'll see

You're gonna hear from me
