## **Desperation #5**

## **Scott Weiland**

She takes a swim then takes a dive She takes a swing and she can hit Muddy water Dirty ditch

Take a swim and walk with me, Make a steal, the Christmas Tree Hold the water, hold my hand Takes its time and time again

Oh, there is no reason Time to go, oh there is No reason, play the show Oh there is no reason

Desperation number five
She takes a swim
Then takes a dive
She tries to hold her, hold

Her hand, the down the muddy Hand again
