

# Fame

Scott Weiland

What's your name? What's your name?  
What's your name? What's your name?

Fame, makes a man take things over  
Fame, lets him loose, hard to swallow  
Fame, puts you there, where things are hollow  
Fame

Fame, it's not your brain, it's just the flame  
That burns your change just to keep you in, sane  
Fame

Fame, what you like is in the limo  
Fame, what you get is no tomorrow  
Fame, what you need, you have to borrow  
Fame

Fame, mine it's mine, is just his line  
To bind your time, it turns you to, crime  
Fame

What's your name? What's your name?  
What's your name? What's your name?

Is it any wonder, I reject you first?  
Fame, fame, fame, fame  
Is it any wonder, you are too cool to fool?  
Fame

Fame, bully for you, chilly for me  
Got to get a rain check on, pain  
Fame

Fame, fame, fame, fame, fame, fame  
Fame, fame, fame, fame, fame, fame  
Fame, fame, fame, fame, fame, fame

What's your name? What's your name?  
What's your name? What's your name?  
What's your name? What's your name?  
What's your name?
