

Christmas Comin' Round Again

Scotty McCreery

Two brothers not speaking for two years now
Can't even remember what they're fighting about
It might be the snow falling or the glow of those lights
But they both say "I'm sorry", end up talking all night

Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in
Christmas is comin' 'round again

There's a mom and a daddy split up last July
Two houses, three kids, now they're splitting up time
Comes over for dinner, ends up sticking around
Round the table they're laughing. Hey, they might work it out

Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in
Christmas is comin' 'round again

Oh, there's something 'bout this time of year
It makes you wanna start living right now, right here

He opens the door and walks inside.
The choir is singing "Silent Night".
Hadn't been in this place since he turned 18.
Heard the story of a baby born a king,
Sent here to save us from everything.
It hit him straight in his heart and he fell to his knees.

Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in

Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in
Christmas is comin' 'round again
Christmas is comin' 'round again
