

# See You Tonight

Scotty McCreery

Girl, you know I love talking to you on the phone  
I could listen to your sweet voice all night long  
Sometimes I can get by with a sweet dreams baby good night,  
But this time, well, I don't wanna spend it alone

So I'm coming over, I hope it's alright  
Listen for me pulling into your drive  
Look out your window—you'll see my lights  
Baby girl, I gotta see you tonight  
The way the breeze is blowing, blowing  
Got me wishing I was holding, holding  
Holding you so tight under that porch light  
But girl, I gotta see you tonight, tonight, tonight  
Girl, I gotta see you tonight, tonight, tonight.

I got a couple hundred pictures of your pretty face  
On my phone, on my dash—all over the place  
But I would drive a million miles  
Just to see that little smile in real life  
Baby, it's worth the drive,  
You're worth the drive.

So I'm coming over, I hope it's alright  
Listen for me pulling into your drive  
Look out your window—you'll see my lights  
Baby girl, I gotta see you tonight  
The way the breeze is blowing, blowing  
Got me wishing I was holding, holding  
Holding you so tight under that porch light  
But girl, I gotta see you tonight, tonight, tonight  
Girl, I gotta see you tonight, tonight, tonight, whoa.

No, I don't care what time it is,  
I just gotta get a little moonlight kiss  
Girl, I can't help it when I feel like this  
There's only one thing to do  
Baby, I'm missing you

I'm coming over, I hope it's alright  
Listen for me pulling into your drive  
Look out your window—you'll see my lights  
Baby girl, I gotta see you tonight  
The way the breeze is blowing, blowing  
Got me wishing I was holding, holding,  
Holding you so tight under that porch light  
But girl, I gotta see you tonight, tonight, tonight  
Girl, I gotta see you tonight, tonight, tonight, yeah, yeah

Girl, I gotta see you tonight (tonight, tonight)
