

Ash Gray Sunday

Screaming Trees

I don't want to know
I just want to be
Up inside the life
Held in front of me
Never felt so empty inside
I can't find the tears to cry

Ash grey Sunday with you
Ash grey Sunday with you

I want to live
where I've never been
In case I try to hide
Think you'll understand
I can't find the tears to cry
Nowhere now, empty inside

Ash grey Sunday with you
Ash grey Sunday with you

I don't want to know
I just want to be
Up inside the life
Held in front of me
Never felt so empty inside
I can't find the tears to cry

Ash grey Sunday with you
Ash grey Sunday with you
Ash grey Sunday with you
Ash grey Sunday with you
Sunday with you
With You
With You
With You
