

# Nearly Lost You

Screaming Trees

Did you hear the distant cry  
Calling me back to my sin?  
Like the one you knew before  
Calling me back once again

I nearly, I nearly lost you there  
And it's taken us somewhere  
I nearly lost you there  
Well let's try to sleep now

Drag me far enough to know  
I'm blind every mile that you burn  
There's a rider that's fallen  
And it's clear there's no time to return

I nearly, I nearly lost you there  
And it's taken us somewhere  
I nearly lost you there  
Well let's try to sleep now

Did you hear the distant lie  
Calling me back to my sin?  
Like the one you knew before  
Calling me back once again

I nearly, I nearly lost you there  
And it's taken us somewhere  
I nearly lost you there  
Well let's try to sleep now

I nearly lost you there, I nearly lost you  
I nearly lost you there, I nearly lost you there  
I nearly lost you there  
Oh yeah, I oh, nearly lost you there
