

## Cat-Like

## Screeching Weasel

I am cat-like;  
I can prowl and pounce all night.  
I am cat-like;  
I can climb to any height.  
But when I finally reach the top and realize I can't get down,

I need some help; a little help!  
I am cat-like; perfect vision- light or dark.  
I am cat-like. I don't do tricks nor do I bark.  
I have impeccable agility and balance.  
I am independent but sometimes I need some help;  
A little help!
