

sittin' here nothin' to do sitting here thinking only of you but  
t you never get out of that chell never get out of that sitting  
here nothing to do sitting here thinking only of you but you n  
ever get out of that shell never get out of that i don't care t  
exas chainsaw massacre they took my baby away from me but you n  
ever get out of that shell never get out of that texas chainsaw  
massacre they took my baby away from me but you never get out  
of that shell never get out of that i don't care when its over  
I'm a goner so tell me tell me tell me she didn't go far no i k  
now there's too much to know she's the only girl that I'm ever  
thinking of texas chainsaw massacre they took my baby away from  
me but you never get out of that she'll never get out of that  
texas chainsaw massacre they took my baby away from me but you  
never get out of that they chopped her up and i don't care i do  
n't care texas chainsaw massacre texas
