

Don't Touch My Car

Screeching Weasel

Hey you, you're a blonde
What you say is always wrong
Hey look, you can sprint
Don't you know you're in like flint
Don't touch my car

Hey you, you're a star
If we are we went too far
Hey look, I sing a song
Don't you know it's just for fun?

Don't touch my car
