

Dummy Up

Screeching Weasel

They want the truth but they keep on drawing blanks
Dummy up, dummy up, uh-oh
They torture you, you're not giving up the facts
Dummy up, dummy up, uh-oh

They can't make you tell the truth, tell the truth, uh-uh uh-
uh oh
They can't tell you what to do, what to do, uh-uh uh-uh oh

Keep it mum when ask if you're a spy
Dummy up, dummy up, uh-oh
Hold your tongue when they say you're fbi
Dummy up, dummy up, uh-oh

They can't make you tell the truth, tell the truth, uh-uh uh-
uh oh
They can't tell you what to do, what to do, uh-uh uh-uh oh

Keep it zipped when they ask for microfilm
Dummy up, dummy up, uh-oh
Plead the fifth you'll be out of there real soon
Dummy up, dummy up, uh-oh

They can't make you tell the truth, tell the truth, uh-uh uh-
uh oh
They can't tell you what to do, what to do, uh-uh uh-uh oh
They can't make you tell the truth, tell the truth, uh-uh uh-
uh oh
They can't tell you what to do, what to do, uh-uh uh-uh oh

Dummy up, dummy up, uh-uh
Dummy up, dummy up, uh-uh
Dummy up, dummy up, uh-uh
