

# I Don't Wanna Be Friends

Screeching Weasel

Susie's bugging me again  
I better take my Ritalin  
I'm about an inch away from smacking her  
She wants to tell me what to do  
I'm really not in love with you  
I've had it up to here with your obnoxiousness  
Don't play little games with me baby  
Cause you know it's already over  
I don't want to be friends with you  
You're giving me a heart attack  
You'll never catch me crawling back  
I'm not about to listen 'cause I'm really sick of this  
You want to be my buddy too  
I'm not a retard at the zoo  
There's not a chance 'cause this is totally ridiculous  
Don't play little games with me baby  
Cause you know it's already over
