

I Don't Wanna Be Friends

Screeching Weasel

Susie's bugging me again
I better take my Ritalin
I'm about an inch away from smacking her
She wants to tell me what to do
I'm really not in love with you
I've had it up to here with your obnoxiousness
Don't play little games with me baby
Cause you know it's already over
I don't want to be friends with you
You're giving me a heart attack
You'll never catch me crawling back
I'm not about to listen 'cause I'm really sick of this
You want to be my buddy too
I'm not a retard at the zoo
There's not a chance 'cause this is totally ridiculous
Don't play little games with me baby
Cause you know it's already over
