

# I Love You

Screeching Weasel

I love you and you know I always will.  
I want you and I love you and you know I always will.  
I love you, yes I do and you know I always will.  
I want you and I love you and you know I always will.  
I love you.

I love you and you know I always will.  
I want you, I want you now.  
I want you and I love you and you know I always will.  
I want you here with me.  
I want you and I love you and you know I always will.
