

I Love You

Screeching Weasel

I love you and you know I always will.
I want you and I love you and you know I always will.
I love you, yes I do and you know I always will.
I want you and I love you and you know I always will.
I love you.

I love you and you know I always will.
I want you, I want you now.
I want you and I love you and you know I always will.
I want you here with me.
I want you and I love you and you know I always will.
