

Nobody Likes You

Screeching Weasel

Nobody likes you
You are such a drag
Nobody likes you
You are such a brat

Nobody likes you
You see Nobody likes you
Not me
Nobody likes you

You're ugly dumb and mean
Everyone hates you pass the Dramamine
Nobody likes you you see
Nobody likes you ya creep

Nobody likes you anyway
You are not any fun
You bother everyone
You think you're better

But we're gonna shut you up
'Cause nobody likes you
Everybody pretends
That you're not annoying

But trust me you're a pest
Nobody likes you you drip
Nobody likes you ya twit
Nobody likes you anyway
