

She's Giving Me The Creeps

Screeching Weasel

she's giving me the creeps the girl i knew is dead she says her armpits are hairy cause it's natural so why does she shave her head? her legs are hairy logs and she's got earrings in her face what's with this hippy bullshit anyway? she's giving me the creeps she's damn quixote you can sell your lsd in a dirt lot now people's park is free the bums that she calls homeless people still aren't eating and the broads that she calls womyn still get raped she's giving me the creeps she wallows in her words semantics mean much more than action in her moronic world i extend my most heartfelt apologies for being white and male without a cause
