

## Something Wrong

Screeching Weasel

Another night another town another Gig  
Another day of F.R. aksing what rhe frig?  
Another stupid girl  
Another fucked up little world  
Now I'm out of cigarettes  
Another 15 hour drive through nowhereland  
Another 27 bucks into the band  
Another stupid world  
Another fucked up little girl  
And I've been up all night again  
There myst be something wrong with us
