

Best Thing Ever

Scritti Politti

I wanna get 'em girl teach 'em a lesson
I got the love for you over and over
They got us workin' girl under illusion
I got the love for you over and out

Oh what a trip just to keep us together

Baby, baby your love is just about the best thing ever
(Tell me baby how 'dit get so good)
Baby, baby your love is just about the best thing ever
(Tell me baby how'd it get so good)
Baby, baby your love still hurtin

How do they make me wanna do what I do when I love you

We gotta show them girl hip to the power
I got love for you better than ever
They got me lovin' girl like I was crazy
I got the love for you over and out

Oh what a trip just to keep 'em in power
