

Have It All

Scrubs

Some days I feel like crying
Don't matter if its rain or shine
I feel like my heart was broken
At least a million times
Some days I wake up dreaming
Feels like I never even woke
Answer life's big question
As if it's one big joke
Maybe it's too soon to be sure but I
Really do believe that some day we're gonna have it all
So I cry so hard it keeps the rhythm of a train
Rolling right along when the ride gets rough you got to carry on
Some days I feel like singing
I sit back and just groove the day away
Maybe I pick up a guitar and play what I want to play
Maybe it's too soon to be sure but I
Really do believe that some day we're gonna have it all
So I cry so hard it keeps the rhythm of a train
Rolling right along when the ride gets rough you got to carry on
Carry on,
You got to carry on
You got to carry on
You got to carry on
Today I feel like laughing
Seems to be no reason at all
And if the world stops spinning
I'm not afraid to fall
Maybe it's too soon to be sure but I
Really do believe that some day we're gonna have it all
So I cry so hard it keeps the rhythm of a train
Rolling right along when the ride gets rough you got to carry on
