Out the door just in time 0.05 Head down the 0.05 Gotta meet the new boss by eight am

The phone rings in the car
The wife is working hard
She's running late tonight again

Well, I know what I've been told You've got to work to feed the soul But I can't do this all on my own No, I know I'm no Superman I'm no Superman

And you've got your love online
And you think you're doing fine
But you're just pluged into the wall

And that deck of Tarot cards Won't get you very far There ain't no hand to break your fall

Well, I know what I've been told
You've got to know just when to fold
But I can't do this all on my own
No, I know
I'm no Superman
I'm no Superman
(that's right)

You've crossed the finish line Won the race but lost your mind Was it worth it, after all

I need you here with me Cause love is all we need Just take a hold of the hand that breaks the fall

Well I know what I've been told
You've to break free to break the mold
But I can't do this all on my own
No, I can't do this all on my own
I know, that I'm no
Superman
I'm no Superman
I'm no Superman

Someday we'll be together I'm no Superman
Someday
Someday we'll be together
Someday
I'm no Superman
