

Ghost

Scum of the Earth

When I open my eyes my reflection dies killing the
GHOST ...

With nothing left inside too late for suicide I, I
don't exist ...
I'm a soulless ghost and I roam this empty shell and I,
I don't exist
when I open my eyes and I stare outside it makes me
sick and I shut back down
Not even sickness inside no memories survive and I am
the ghost

I'm a whisper from the dead
A ghost that never lived and I don't exist

When I open my eyes my reflection dies killing the
GHOST

When darkness shines in my eyes until I'm blind I, I
don't exist
No reflection remains in the end it's all the same and
I, I don't exist
when I open my eyes my reflection dies my sickness
subsides I'm less than alive
As I start to descend below the end of sin I am the
ghost

I'm a whisper from the dead
A ghost that never lived and I don't exist

When I open my eyes my reflection dies killing the
GHOST
