

(Mindless) Dead Things

Scum of the Earth

Hey, let your devil dance with my skeleton
Sink your teeth into my neck
Hey, super sexy psycho maniac
tearing into my flesh

Dance down below
Dance devils toll
Dance taste your soul
Yeah the devil is here now
Mindless zombie Dead Things

Hey, Mindless zombies devils dead things
Dancing corpses gone insane
Hey, Sleazy freaks and super monsters crawling out of the grave

Dance down below
Dance devils toll
Dance taste your soul

Yeah the devil is here now,
Mindless zombie Dead Things

Yeah the devil is here now,
Mindless zombie Dead Things
