

# Zombie Apocalypse

Scum of the Earth

Death by apocalypse suffer and sin  
Get your fist through the grave dirt grime and grey  
Get your hail to the feast body's full of nails  
Get your crippled freaks singing death dropping hell

Get it on (apocalypse)  
Get down with the Zombie Apocalypse

Give me some death fist full of nails  
Get your devils guide to genocide  
Get your dance of the dead dig in and die  
Get your psychedelic massacre reborn revived

Death by design murder suicide  
Get your torn from the light corpse come to life  
Get your death by death bed of nails  
Get your devils fist freaks from hell

Get it on (apocalypse)  
Get down with the Zombie Apocalypse
