

Zombies -vs- Skeletons

Scum of the Earth

X marks the grave dance of the dead
Master of the corpses she's your boogie man
World colored blood murder in her eyes
In your web of death baby make me DIE

It's The Dance Of The Dead
It's The Dance Of The Dead
It's The Dance Of The Dead
Let's Dance

Zombies Versus Skeletons (8x)

Queen of the dead she is the damned
Crippled beneath her wings
Turn my blood to sand
Death on her lips coffin full of bones
With your lips of death baby make me DIE

It's The Dance Of The Dead
It's The Dance Of The Dead
It's The Dance Of The Dead
Let's Dance

Zombies Versus Skeletons (8x)
