

Whatever You Say, Say Nothing

Sea Wolf

Looked down to the park
Sat down in the leaves
Boots wet in the dark
Laughter in the trees
Held it in my hand
small golden ring

Watched them in the sand
[?]

Whatever you say, say nothing
Whatever you say, say nothing

Blackberries in bloom
delicate and sharp
Left you in the room
Cheeks wet in the dark

Whatever you say, say nothing
Whatever you say, say nothing
