

# Whatever You Say, Say Nothing

Sea Wolf

Looked down to the park  
Sat down in the leaves  
Boots wet in the dark  
Laughter in the trees  
Held it in my hand  
small golden ring

Watched them in the sand  
[?]

Whatever you say, say nothing  
Whatever you say, say nothing

Blackberries in bloom  
delicate and sharp  
Left you in the room  
Cheeks wet in the dark

Whatever you say, say nothing  
Whatever you say, say nothing
