

# The Promise

Seabound

The promise  
Promiscuity

Three in a row  
But you can do more  
You know some of the rules  
But you can't be sure

Random events  
Or skillfully staged?  
Arrival of a new guest  
A mask in the haze

For multiple happiness  
Copy these lines  
Remember the code  
And follow the signs  
Behind the curtain  
Waits another surprise

Suddenly you smile  
And turn to look at me  
Did I just learn to walk?  
You're dancing, I'd say

Will we learn to fly  
Or fall and fade away  
Trust your heart, my love  
Wake up the dreamer

Suddenly you smile  
And turn to look at me  
Did we just learn to walk  
We're dancing, I'd say

If you're afraid to fly  
Or fail and fade away  
I will hold you tight  
I'll never walk away

Three in a row  
And still you want more  
Man or machine?  
Real or in dreams?

Follow the rules  
And enter the stage  
Soon you will vanish  
Into the haze
