

# Deep Water

Seal

I'll kiss that away  
Both of them swam from a northern blue sky  
Smile on their faces they entered their doom like they knew  
If their world should end they won't care about that anyway  
I jade the water and I burn the fire  
Nuclear chemicals making their doom like you knew  
If the world should end you won't care about that anyway  
Maybe thats the way you live your life but I know  
Life it don't always live that way  
Jade  
A shade of pain and then we die  
Jade  
A shade of pain and then we die  
Jade  
A shade of pain and then we die  
But it's just the way  
Maybe that's the way you live your life but I know  
you live your life  
Life you see it don't always live that way  
Jade  
A shade of pain and then we die  
Jade  
A shade of pain and then we die Oh why  
Jade  
A shade of pain and then we die  
Maybe that's the way  
Maybe that's the way but it don't always live that way  
Now that I understand the beauty of what they've left to hand me down  
When you need a place to live and no one understands you  
And all you want to do  
Is to cry out loud  
But you don't know how  
No way no one  
No one understands  
The hand that strikes  
When just a touch of love is all the problem needed  
And when you hurt someone so much that still they die loving you  
And all you want to do  
Is to cry out loud  
But you don't know how  
Jade  
Jade  
A shade of pain and then we die  
Jade  
A shade of pain and then we die  
Jade  
But you don't know how  
'Til you try somehow  
Jade  
Like you don't know how  
Jade  
But you try somehow  
Jade and then we die  
We will find a way  
Letting the sun go down  
Maybe we'll find a way  
Holding the sun

We will find a way  
Letting our life go by  
I tell you we'll find a way  
Holding the sun
