Silence in your voice Screaming I've no Choice cause I'm angry Angry and lonely

Silence while you steal Feeding from the Will of my babies My one and only's

So, wish that I could make you see The harm in what you did But I never hear you scream

Dumb-da-dumb-dumb-dumb (2x)

Silence while you win Gleaming like a Toe dying ugly Rocks in you belly

There's silence every day
Cause I know that there's no
Way I can save you
Cause you won your own blue
But true remain

So, wish that I could make you see The harm in what you did But I never hear you scream

Dumb-da-dumb-dumb (8x)

Whoa, the lonely, I sing this for you only Whoa, the lonely, a freind that I once knew Whoa, the lonely, if you and me if only For a friend that I once knew A friend that I once knew

Dumb-da-dumb-dumb (10x)
