

# Human Beings

Seal

It is only love I feel  
That will give us peace of heart  
In my hour of desperate need  
I feel closer to the one  
Oh but why...  
Please  
Human being  
If you bleed  
they will say it was destined  
They'll be punchin' tickets  
By the minute if you fall out of line  
desperate  
desperate  
Tell me is it death you feel  
That will bring you peace of life.  
Who wants  
Tell me you're one of us  
Tell me you're one  
Tell me you're one of us  
Tell me you're one  
When you lose your self esteem  
That's when love dies...  
Ohhh...  
Please human being  
If you bleed  
They will say that it's destined  
They'll be punchin' tickets  
By the minute if you fall out of line  
We're mere human beings we die  
So...  
So...destined desperate  
Well I feel  
When you've reached number one  
You look like you're puffing but  
Really only blocking the sun...  
Blocking the sun  
Blocking the sun  
We're mere human beings  
We die  
It's destined  
They'll be punchin' tickets  
By the minute you fall out of life  
We're mere human beings we die  
We're mere human beings we die  
Desperate  
It's destined  
We're mere human beings we die  
desperate  
it's destined  
destined  
We're mere human beings we die
